EDUCATION

Year	Degree	Institute	Marks
2019	B. Tech	JSS Academy of Technical Education	75.22 %
2014	Senior School	N.S Children Academy	80 %
2012	High School	Durga Public School	60 %

PROJECTS

Superhero Hunter App

- A Multipage responsive superhero hunter app where you can search for any superhero and can add them to favourites. You can also checkout the stats of superheroes by clicking on them.
- Superhero API has been used to fetch the details of all the superheroes.
- Technology: **HTML, CSS and JavaScript.**
- <https://github.com/Akshat-65/superhero-hunter-app.git>

Food order App

- A food order app where you can order meals by adding them in to the cart. You can also modify the cart items.
- During checkout you have to fill out the delivery address form to confirm the order and the data will be saved in Realtime database.
- Technology: **React Js, Firebase.**
- <https://github.com/Akshat-65/Food-order-App.git>

Weather App

- Get weather details of any city around the globe.
- Openweathermap API has been used to get weather information.
- Technology: **React Js.**
- <https://github.com/Akshat-65/weather-app.git>

To-do list

- It has many features such as adding and deleting tasks. Marking the completed task, filtering the task as completed, uncompleted and all.
- Technology: **HTML, CSS and JavaScript.**
- <https://github.com/Akshat-65/todo-list.git>
